The V8 Hotel in the Meilenwerk Stuttgart

With much charm, a dash of the 20's and an exclusive outlook onto the oldtimer event hall of the Meilenwerk, the V8 Hotel guarantees you an exciting stay.

The former airport hotel was built in the "Bauhaus" style of architecture and is now a listed building.

All hotel rooms in this building have been decorated in the clear style of this period, and our guests are always impressed with their generous size and comfort.

Family rooms or double rooms with connecting doors are available on demand.

All rooms contain beds of 2.10m length ensuring a good night's sleep, a working place with high-speed internet access and a 32" flat screen TV. Mineral water and tea-making facilities are available free of charge.

Demanding guests are spoiled in our 120m² „Zeppelin Suite“ in the former airport tower with a sensational view onto the entire airfield complex. You can relax in the private sauna and enjoy the sunset from your own private roof terrace.

In our theme based rooms you will realise your dreams. Spend the night under the stars in the drive-in cinema, at the gas station in a converted VW Beetle or in the garage. In the racing room step upon the winners' podium, in the car wash room you can enjoy a rain-shower and the V8 camping room gives you the feeling of sitting in the open countryside.

Welcome to a unique atmosphere

Start your day with a selected breakfast in our Meilenwerk-Coffeehouse and let yourself be spoiled with coffee specialties, fresh bakery goods and little snacks.

A popular meeting point is our comfortable "Wichtel" house brewery. There you can expect a freshly brewed beer with Swabian dishes and seasonal daily specials.

The "Da Signora" Restaurant offers you a variety of Mediterranean dishes and wines. Enjoy Italian flair in a stylish atmosphere and spend a delightful evening with friends.

At the end of the day you will find our "Trading Hall", full of car classics, definitely worth a visit - come and collect material for your dreams!

You can book various conference rooms or the "Hall of Legends" for up to 800 persons at the Meilenwerk. Our restaurants also offer separate meeting rooms for private functions. The restaurant "Da Signora" offers its guests a smoking lounge with service.

Celebrate with friends at our cooking school "Targa Florio" in the Meilenwerk. As you wish, the Chef will do the cooking or with some guidance you may cook yourself and afterwards enjoy your own efforts - in any case a shared experience makes you bond.

We look forward to your visit.
